

CONFERENCES AND FUNCTIONS

The natural setting of the venue- inspires creativity and is therefore ideal for workshops, training, mini conferences, informal meetings, corporate incentives, retreats and director breakaways. This unique venue offers absolute privacy in a rustic, country style set-up for smaller groups, away from the office. We'll make your perfect day complete by serving meals in the Bushveld Boma where everyone can relax next to an open fire, if weather permits

What makes it unique? Your company will have exclusive use of the entire lodge during the time of the conference. The Barn is situated in the garden which will ensure total privacy and seclusion from the outside world. A completely different environment to a conference room in a city hotel with free-roaming game looking in on you from time to time!

We offer informal conferencing facilities at realistic prices. The Barn can accommodate up to 60 day delegates or 12 overnight delegates (sharing). Extra accommodation can also be arranged at neighbouring venues if required for a bigger overnight group.

Traditional South African meals and teas are served in the open air Bushveld Boma or the lapa next to the pool for small groups. Tswalu has many interesting areas that we like to surprise our guests with when providing meals. Innibos is a favourite for bush breakfast amongst our international travellers.

(POA)

We also make use of the Barn for large numbers. These areas are also ideal for team building or breakaway group sessions you

The Lodge is also ideal for small informal functions such as corporate break-aways, birthdays and babyshowers. We have a unique openair chapel for weddings for those people who prefer a country atmosphere in natural surroundings. Other outdoor options available as well.

Function rates on request.

Other activities can include the nearby team building venue – we can arrange this with an outside company.
